

Sports Residency Program

Performance Outcomes

The overall performance of the Program's Residents has been outstanding, demonstrated by the 100% success rate of its graduates on his/her initial attempt at passing the ABPTS – Sports Certified Specialist Examination.

As the Program evolves and becomes more advanced in the evaluation of its mission, goals, curriculum and outcomes, it will look more objectively at the performance measures used to evaluate each specific goal of the program to further evaluate the clinical capabilities and characteristics of the graduate.

The following is a table that outlines the Program's goals and the measures used to evaluate the performance of each.

<i>Program Goals</i>	<i>Performance Outcome Measures</i>
